Volume 35 No. 4 March 2020

# Scientific Expedition Group Inc.

## Patron

His Excellency the Honourable Hieu van Le AO  
Governor of South Australia.

## SEG Executive

President Dr. Richard L Willing  
Chairman Dr. Robert Sharrad, AM  
Vice Chairman Stuart Pillman  
Secretary Sarah Telfer  
Treasurer Graeme Oats

## SEG Committee

Duncan MacKenzie, OAM  
Trent Porter  
Helen Johnson  
John Love  
Jill Tugwell  
Helen Owens

## Vulkathunha Gammon Ranges Scientific Project

Graham Blair  
Alex Cornish

## Minnawarra Biodiversity Project

Janet Furler

## Mallee Fowl Project

Stuart Pillman

## SEGments Editors

Helen Johnson  
Alun Thomas

## SEG Website

Michelle Trethewey

The Scientific Expedition Group is a not-for profit organisation which began in 1984. SEG undertakes several expeditions each year to record scientific information on wildlife and the environment in many parts of South Australia.

A major expedition to conduct a biodiversity survey occurs each year over two weeks. Scientific experts lead volunteers in surveying mammals, reptiles, invertebrates, vegetation, birds and physical geography. The data collected on each survey are archived with the relevant State scientific institutions to ensure they are available to anyone interested in our State's environment.

In addition to the major expedition, a number of trips for the Vulkathunha-Gammon Ranges Scientific Project are organised annually. A long term study of rainfall on the ranges and of water flow in arid-zone creeks is undertaken. All data are supplied to the Department of Environment Water and Natural Resources and to the Bureau of Meteorology and are available for analysis.

SEG conducts four-day biodiversity surveys at eight different sites each autumn and spring in the Heritage Area of scrub on "Minnawarra" farm near Myponga. Data collected are entered into the Biological Data Base of SA. SEG also conducts annual mallee-fowl monitoring over a weekend in the Murraylands.
